## Come Join Our Dulcimer Club At "The Ranch"!

Open to all students  
Grades 3<sup>rd</sup> – 6<sup>th</sup>

Classes Begin on  
January 13, 2010

We have a unique opportunity for students at North Ranch Elementary to learn to play the Appalachian Dulcimer.

You don't need to read music or know how to play another instrument to be part of our club! We will learn using a proven method of playing by numbers and **colors**...it couldn't be easier!

Our dulcimer club is fortunate to have Stephen Kenny, a local professional old time folk music performer, teach our students how to play this fun and entertaining instrument.

The best part is The Ranch will provide the instruments to learn on and the instructional material. On our journey learning to play the Dulcimer, we will also experience the heritage and tradition of American folk music and the people who used this music as part of their daily lives. Did you know that the Appalachian or Mountain Dulcimer is the **ONLY** truly American folk instrument built by settlers to this country many years ago?

*Come and be part of this exciting opportunity!* The club will meet on Wednesday from 4:30 PM - 5:30 PM.

**This club qualifies for tax credit donation**
