Yes . . . Your PTA has done it again! Full color Yearbooks, being sold at a lower price than last school years. In an effort to keep the yearbook affordable, this year's book has a soft cover and is in full color. In addition, we are offering a discount for those ordering more than one yearbook by September 1! Get all of your kids yearbooks at a reduced price. Your PTA would like to see as many of its' North Ranch students be able to afford a great quality Yearbook as a valuable memory keepsake from their time at the Ranch. Purchase a Yearbook early and save money! Presale prices are only good through *September 1st*:

2009 - 2010 Yearbook Pricing:

\$15.00 (good through 9/1/09)

\$16.00 (after 9/1/09)

This is also a great time to include your personal message to your child, or order a personal message for your child's teacher. Personal messages are \$5.00 per eight (8) word increment and are messages that last a lifetime and will mean so much to the person you purchase a message for.
